

**Department of Transportation  
Olympia, Washington 98504**

September 6, 2006

ATTENTION: All Bidders and Planholders

**I-405  
SPRINGBROOK CREEK WETLAND AND  
HABITAT MITIGATION BANK  
A State Project**

**Addendum No. 1**

The Specifications and Plans for this project are amended as follows:

***Specifications***

1. On Page 83, lines 35 and 36 are replaced with the following:

With the exceptions of the car in the center of Unit C, the car in the south end of Unit C, and the motorcycle in the southwest corner of Unit E, all materials listed under Removal of Obstructions shall become property of the Contractor and shall be disposed of outside of the project limits. The Contractor shall notify the Washington State Patrol (WSP) of the abandoned cars in Unit C and the abandoned motorcycle in Unit E and coordinate removal of these items according to the standard practices of WSP.

2. On Page 86, lines 27 through 41 are deleted.
3. On Page 92, line 3 is revised to read as follows:  
(425) 377-1550
4. On Page 98, lines 13 through 17 are deleted.
5. On Page 110, lines 43 through 45, the third sentence of the paragraph is revised to read as follows:

Brush Piles will vary in size from 175 to 300 square surface feet as measured on the ground, and will vary from 5 to 8 feet in height.

***Plans***

1. Plan sheet numbers 1, 7, 8, and 9 have been revised as shaded and noted on the attached Plans.
2. Plan sheet number 9A, sheet ECN4 is a new Plan and is attached.

Bidders shall furnish the Secretary of Transportation with evidence of receipt of this Addendum. This Addendum will be incorporated in the contract when awarded and when formally executed.

**Harold Peterfeso, P.E.  
State Design Engineer**
